Advanced Disposal
Attn: Ms. Kelly J. Sims/CSR
5489 Leeper Drive
West Palm Beach, FL 33407

Dear Ms. Sims,

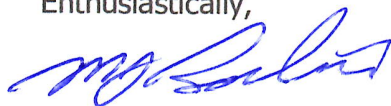

The Board of the National Disabled Veteran Business Council, Inc., wish to thank you and Advanced Disposal for your generosity to the NDVBC and the Veteran Community which we serve.

Your containers and transportation costs of which you donated, certainly contribute to our latest Veteran Affordable Housing Project at, 419 Cheyenne Drive, Lake Worth. Your gift and community involvement truly adds value to our Veteran "affordable" Housing Program and will lessen the overall project costs, making the home more affordable to the Veterans we serve.

Thank you for your commitment to the NDVBC and supporting Community Benefit Programs that are the bedrock to empowering our Veteran Community.

Continued success to Advanced Disposal!

Enthusiastically,

Michael Bolduc
Board President
