Dear Mr. Michael Bolduc:

I am contacting you in follow up to the complaint you submitted to the U.S. Department of Labor, Office of Inspector General (DOL-OIG). The information you submitted has been reviewed by the DOL-OIG's Complaint Analysis Office. Specifically, you alleged that staff at the Career Source of West Palm Beach does not refer veterans to the NDVBC. You also reported additional concerns regarding this matter.

We have determined that your concerns do not involve matters that warrant action by the OIG. Accordingly, the OIG does not plan to take any action in response to your complaint. We believe your allegation that staff at the Career Source of West Palm Beach does not refer veterans to the NDVBC may be of interest to the U.S. Department of Labor, Veterans' Employment and Training Service (VETS). Accordingly, we have forwarded your complaint to VETS management at U.S. Department of Labor Headquarters for review and evaluation. We have asked VETS management to determine whether or not your concerns involve any VETS-funded services or programs. We have also asked VETS management to take any action deemed appropriate, if those officials determine that your concerns involve VETS-funded services or programs. We have requested that VETS management provide a response to you directly upon completion of their review of your complaint. We have also requested that VETS management provide a response to the OIG upon completion of their review of the information you provided.

I regret that the U.S. Department of Labor, Office of Inspector General cannot be of further assistance regarding the concerns you reported.

Sincerely,
