Dear President Trump,

Our Nationally Recognized Veteran Service Organization, the NDVBC and the Veteran members which we advocate for, respectfully request your administration's assistance.

There are several government agencies that have, and continue to, misrepresent their Veteran programs which needs to be addressed. The agencies listed below have caused harm to the very Veteran community which the NDVBC continues to advocate for.

(USDOL)

- Refuses: NDVBC recognition, training dollars, Veteran referrals
- Apprenticeship development being blocked
- Poor Veteran reps, poor resume assistance to Veterans
- Leadership continues to defame NDVBC to Veterans & Palm Beach County leadership

VA - Central Office (DC) & WPB VA Hospital

- False recognition vetting process
- Refuses to promote Veteran empowerment programs
- Discriminates against NDVBC

PJs - (Participating Jurisdictions) (PB County using HUD monies)

- Openly discriminates against the NDVBC
- Wasted financial resources
- Deceptive practices / Veteran affordable housing VHPP

SBA -

- Misrepresents their Veteran assistance
- Blames your administration for their incompetency
- Wasted NDVBC's resources with failed conferences
- Deceptive and incomplete agency lists
- Favors MBE over SDVOSB

Listed above are bullet points to be discussed in further detail with your staff, where the NDVBC can offer point solutions to eliminate the Fraud Waste and Abuse within these agencies that affect our Veteran community.

We certainly appreciate the monumental accomplishments that you and your administration have completed to date. On the surface, and at first glance, these may seem petty, but we assure you and your team, the consequences from years of neglect and apathy go deep and wide throughout these agencies.

The NDVBC has utilized the chain of command to address these issues to no avail, which is why we are turning to you and your administration for assistance.

Respectfully,

Michael Bolduc
Board President
