Mr. Michael Bolduc
President
National Disabled Veterans Business Council, Inc.
8470 Egret Lakes Lane
West Palm Beach, Florida 33412

Dear Mr. Bolduc:

Thank you for contacting my office again regarding your allegations against the West Palm Beach VA Medical Center.

After carefully reviewing your file, including the information you previously provided and investigation with various offices of the Department of Veterans Affairs (VA), I have concluded that there is no further action or administrative remedy our office could take which would alter the responses given to you.

I regret that I was not able to give you a more satisfactory response. Although I cannot be more helpful this time, I trust that you will understand my inability to influence a decision rendered by the VA is caused by limits imposed by law, not by any lack of concern for your personal situation.

Again, thank you for getting in touch with me. I want you to know that as your U. S. Senator from Florida, I welcome the opportunity to serve you. If I can assist you with any other matter, please do not hesitate to let me know.

Sincerely,

A handwritten signature in blue ink that reads "Bill Nelson".
